🚩 WEEKLY TOURNAMENT INFO & GUIDE 🚩

Welcome to the Walkabout Minigolf Weekly Tournament!

The tournament is held every Sunday (and Sat pm Eastern) and players of all levels are welcome. You can play at any of 6 different tee times between 00:00 & 20:00 UTC. Please follow the instructions below to sign up, and familiarize yourself with the rules before playing. Each weekly round is played across one **easy**, and one **hard** course.

- 🕒 The courses for the following week are randomly selected each Monday.
- 🕒 Each week the played courses are eliminated until all courses have been played.

Each week's results contribute to a season leader-board. A season lasts 3 months (12 rounds) with the top 2/3 of each player's weekly scores being tallied.

This allows players to drop or miss up to 4 rounds each season and still remain competitive.

Room Selections & Assignments

Registrations can be managed from within the "Rooms" view.

1. Use the ">" button on any Slot to manage players

Room Selections & Assignments

1. Select a specific time slot or "- All -"
2. The "Active?" column will say "No" for players that unregistered. A TD can change any of the values: Time Slot, Room No, or Active.

The screenshot shows a 'Change Rooms' window with a table of player assignments. The table has columns for Player, Time Slot, Room No, and Active?. The 'Active?' column shows 'Yes' for most players and 'No' for 'Brad.'. A red arrow labeled '1' points to the 'Slot' dropdown menu, and another red arrow labeled '2' points to the 'Active?' column.

Opening Tournament Rooms

Within the "Rooms" view, a TD can trigger the room assignments and open the tournament.

1. Use "Assign Rooms" to view. Rooms will be displayed and the TD will have a chance to review before players can see the assignments.

IMPORTANT: Registrations close when the Room Assignments run.

Room Definition

After rooms have been assigned, make sure "Open Rooms" is clicked so that players can see their assignments and scores can be submitted.

The screenshot shows a web interface for tournament management. At the top, a green notification banner reads: "Rooms have been assigned, don't forget to open up the rooms!". Below this is a navigation bar with links: "Install App", "About/Rules", "Session Analysis", and "Tournament Ad...". A red circle with the number "1" and a red arrow points to the "Open Rooms" button, which is a green button with a padlock icon. To the left of this button is a grey button labeled "Assign Rooms...". Below the navigation bar, there are three room cards for the 12:00 UTC, 16:00 UTC, and 20:00 UTC sessions. Each card has a header with the time and a right arrow, followed by the room name "WMGT1" and a list of players.
